GROUPS AND ROLES

Tip: Use Sketching as a way to illustrate your thoughts!

What are the groups?

Who should be responsible for what?

Who are the people?

What are the tasks?

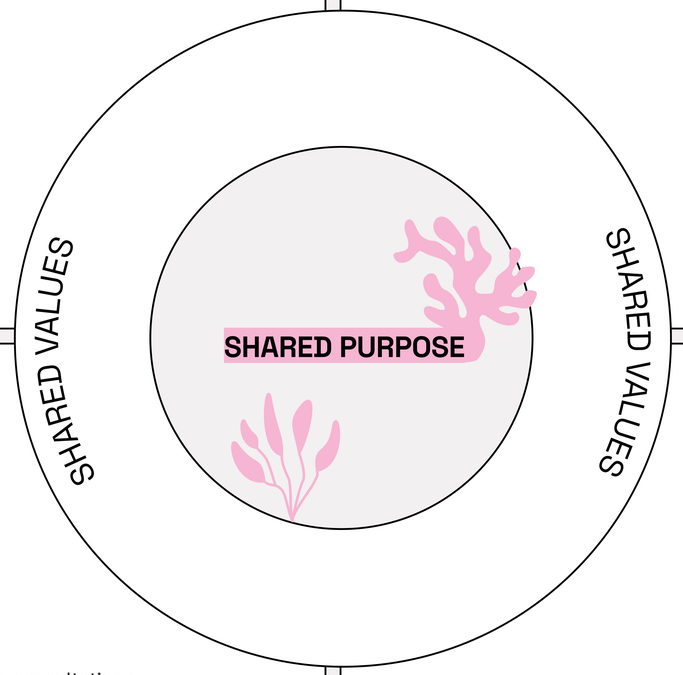
How are the groups connected?

COMMUNICATION

How should communication flow between the groups, everyone else and across organizations?

How could employees take the lead in bringing in new ideas?

What processes can help resolve conflicts?



WORK STYLES

What do meetings look like (times, places, people, agenda, etc.)?

What freedoms do groups need to act?

How do we ensure accountability?

How are decisions made (consensus, voting, consultations, rotating leadership, etc.) and by whom?

How do we make sure underrepresented voices are still heard?

TOOLS AND RESPOURCES

What resources are needed ? (skills, time, space, informal spaces, etc.)?

What kinds of tools, platforms and technologies are needed?

What rituals or routines will be helpful?
